

# Paper Cushion Machine

## Removable Packaging

- ▶ UPPO-2 is a movable paper cushion packaging machine, which can be combined with the packaging needs of production lines, express stations and warehouse

## Easy And Fast Packaging

- ▶ This paper cushion machine has a user-friendly interface with LED screen, touch to set length and operation mode, fast paper feed and throughput speed also speed packaging time.

## Eco-Friendly Kraft Paper

- ▶ Packed with kraft paper, 100% recyclable and tough. Not only is it eco-friendly, but it has the cushioning and compression properties of non-transportation plastic material. The preferred alternative to plastic bubble wrap.

## Good Buffering Effect

- ▶ The gear structure with the design patent can squeeze out a more three-dimensional paper pad, which greatly improves the buffering effect.

## Specifications

Model	UPPO-2
Size	750 x 440 x 1180mm
Weight	NW: 5kg ; GW: 67kg
Power	120W
Speed	12m/min
